<https://cp.certmetrics.com/amazon/en/public/verify/credential> (c92d0778089943899d873997d1993edb)

CompTIA Security + - In Progress

TECHNICAL SKILLS

AWS, EC2, S3, IAM, VPC, Java, Gradle, Git, NeoForge, Forge, Mixin, Client/Server Networking, VFX Design, Game Systems Design

EXPERIENCE

Host - Applebee's Jan 2025 – Aug 2025

Murrieta, CA

- Greeted and seated guests during high-volume shifts, managing dining-room flow to minimize wait times.
- Supported servers by running food, taking orders during busy periods, and resolving guest requests on the spot.
- Maintained cleanliness and presentation of the bar, dining area, and restrooms throughout each shift.

Founder & Lead Developer - Invincible Incorporated 2023 – Present

Indie game studio • Java • NeoForge • Forge • Mixin • Gradle • Git

- Designed, built, and currently maintaining a large-scale project inspired by the Invincible comic/show, with 226,000+ combined downloads on CurseForge.
- Handwritten custom Java Mixin classes to modify player rendering, entity dimensions, camera behavior, networking, and collision logic, extending the game engine beyond standard modding API capabilities.
- Implemented dozens of in-game ability systems with custom procedures, GUIs, and client/server networking packets.
- Led and coordinated a small remote team of four 3D modelers and one animator, on Discord.

Lead VFX Artist - Mine Hero RX (Contract / Collaboration) Oct 2025 - Present

My Hero Academia-inspired project • 1.4M+ total downloads

- Invited to join an established project team to produce all VFX for the latest major release of Mine Hero RX, a project with 1.4M+ historical downloads and a 6,000-member Discord community.
- Collaborate directly with the project lead on shared code, and implementation ideas across both projects, exchanging solutions to common coding challenges.

ACTIVITIES & LEADERSHIP

Varsity Football Player - Murrieta Mesa High School Aug 2021 – Dec 2024

- Maintained discipline, time management, and physical fitness through regular training and practice sessions. Commitment, always on time and easy going. Developed strong communication skills and ability to work well under pressure.

Track Team Member and Student Assistant Coach - Murrieta Mesa High School Dec 2021 – Apr 2025

- Achieved personal and team goals through a commitment, from practicing every day, self discipline and being able to persevere by balancing academic commitments as well as all of my athletic responsibilities (For both sports).
- Moved into an assistant coaching role during my senior year, supporting the head coach.

Student Union Representative - Murrieta Mesa High School Aug 2021 – Jun 2025

- Represented the student body on the district board, surfacing student concerns to administration.
- Helped plan and run school events that drove student engagement on campus.
